RESPONSE TO NOTICE TO FILE CORRECTED PAPERS

Sir:

This paper is responsive to the Notice to File Corrected Papers dated December 4, 2007.

REMARKS

This is a response to the communication mailed December 4, 2007, indicating that FIG. 1 is deficient because it contains foreign language, and that correction with an amendment in compliance with 37 CFR 1.121 is necessary.

FIG. 1 has been amended to replace the foreign language (i.e., 设备) with its English translation, "Devices". Further, "Devices" is at least supported by FIG. 1 and the originally filed specification at page 1, lines 4-8, 11-13, page 5, first row, third column of table 1, and page 8, lines 16-18. Amended FIG. 1 is attached as a replacement sheet. In accordance with 37 C.F.R. § 1.84, the revised FIG. 1 has been labeled "Replacement Sheet". Applicants submit that no new matter is added by the amendment to FIG. 1.

Entry of this amendment is respectfully requested before January 22, 2008, the due date of the issue fee.

Respectfully submitted,

By: Robert Newman
